BRISTOL TOWN WARRANT**The State of New Hampshire**

To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Bristol on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. Action on the following articles to begin at eight of the clock in the afternoon:
2. To see what sum of money the Town will raise and appropriate for the reconstruction of a portion of Hall Road. (Recommended by Budget Committee.)
3. To see if the Town will vote to raise and appropriate the sum of thirty-six hundred (\$3600) dollars to purchase the land and building thereon known as the Community Key, such appropriation to be used only if matching funds are supplied by the Federal Government. The purchase price of the Community Key being seventy-two hundred (\$7200) dollars. (Recommended by Budget Committee.)
4. To see what sum of money the Town will raise and appropriate for Parks and Playgrounds. (Recommended by Budget Committee.)
5. To see if the Town will vote to use the accumulated interest of the Proctor Capital Reserve Fund to improve road entrances at the Town Lot. (Recommended by Budget Committee.)
6. To see if the Town will vote to accept the Budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.
7. (A) To see if the Town will vote to adopt as an ordinance of the Town of Bristol for the purpose of maintaining the general property values, atmosphere and well

being of the Town and promoting the health, safety and general welfare thereof, the following: "No trailer or mobile home shall hereafter be located within the Town of Bristol for use as a dwelling, residence, or human habitation, unless the same shall be in a duly established and licensed trailer or mobile home park; provided that this ordinance shall not apply to any trailer or mobile home which is in use as a dwelling, residence, or human habitation in the Town of Bristol on the effective date of this ordinance. Any person, association or corporation violating this ordinance shall be fined not more than ten (\$10.00) dollars, and each day of violation shall be deemed a separate offense.", or to take any other action in relation thereto.

(B) To see if the Town will vote to adopt as a local ordinance governing the licensing and regulation of trailer or mobile home parks, the regulations proposed by the Selectmen as posted and published with this warrant, or to take any other action in relation thereto.

8. To see if the Town will vote to accept a parcel of land from the Prescott Lumber Company, Inc.

9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

10. To transact any other business that may come before said meeting.

Polls to close at 6:00 P.M.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and sixty-seven.

W. JOHN SCHOFIELD,
CHESTER E. ELLIS,
BURTON W. WILLIAMS,
Selectmen of Bristol.

To the voters and property owners of Bristol, N.H.:

The above detailed report of your Road Agent Acct. is somewhat confusing, but since the Town of Bristol has joined the Great Society way of business, it will be confusing.

I have asked to have an explanation of the new system printed in the Town Report, but to no avail.

Respectfully submitted,

N. H. MORRISON

The Library is open Monday, Wednesday and Saturday from 1 to 5 and 6 to 9.

We seem to have reached a plateau in our circulation figures due to various causes. New books published in 1966 were not too interesting, and our book selection meetings were not as good as usual. The price of books keeps increasing, especially worthwhile non-fiction. Reference books are expensive, but we have been able to increase and bring up to date many of our science and reference books. We also were fortunate in receiving one hundred dollars from the State for the purchase of certain basic reference books mainly in the science field.

With regret we had to accept the resignation of Mrs. Robert Sargent as a trustee. She was an excellent and faithful worker, especially as a member of the Book Selection Committee.

As a charter member of the North Country Library District we can have a Trustee on the Governing Council. Unfortunately, we are in the extreme southern end of the District with headquarters in Littleton. Our book selection meetings are not always within easy reach. Attending these meetings means mileage costs which, we are sure you will agree, should be paid by the Town. Our main request this year in the way of an extra is \$750.00 to establish a parking section in the rear of the library building for our Library Patrons. Consider the location. On each side a garage and filling station. Directly across, a no parking zone. We don't think we should deprive business locations of parking space for customers. Reading, a part of adult education, should be encouraged if we are to keep abreast of the times.

BRISTOL CONSERVATION COMMISSION

The Conservation Commission was authorized by the vote of the 1966 Town Meeting and was created by the Selectmen with the appointing of John Greenan, Fred Dushame, Austin D'Arcy, and Samuel Worthen as members. The Commission thinks of itself primarily as a watchdog committee to protect the natural resources of Bristol for the benefit of its citizens. It has met several times during the year, and among its considerations are:

1. Meeting with the Planning Board, Park Commissioners, Community Center Council, Slim Baker Fund Directors to discuss mutual needs and to cooperate in a long range program for the town. The Commission feels that eventually all the recreation activities and resources of the town should be the responsibility of one supervising committee.
2. Working with pollution control forces towards a B classification of the Newfound and Pemigewasset Rivers.
3. Evaluating as controlled natural scenic areas such locations as Profile Falls, the Cascades by the former railroad station, and the Newfound River from the old IPC plant towards the square.
4. Encouraging and coordinating the replacement of shade trees, especially in the vicinity of the square.
5. Determining what areas on the shores of Newfound Lake are still accessible to the public.
6. Making recommendations for further development of the town beach.

The commission feels that the town beach should be its first consideration. More and more people are availing themselves of this area, yet no sanitary facilities are provided. The construction of toilets was a recommendation of the Selectmen's committee which made a study of the beach. All leaching fields, however, must be at least seventy-five feet from the lake, and the beach is too narrow for this drainage. For this reason the commission is recommending the purchase with matching Federal funds of the property known as the Community Key. This land, it is felt, should be part of the town beach and would provide space for parking as well as the drainage for the sanitary facilities.

BRISTOL WATER WORKS

In 1949 the Town of Bristol began operating the Bristol Water Works, a newly designed domestic water supply engineered on a projected basis of approximately 20 years. After 18 years of operation certain deficiencies have come to the attention of the Commissioners and as a result, an engineering firm was called in to make a survey of our plant and recommendations for future requirements.

The firm of Camp, Dresser & McKee made the survey and furnished us with a report of their recommendations on present day needs as well as a 20 to 30 year projection. It is based on population and population trends, water use and water use trends, storage and transmission lines for industrial and domestic use, as well as fire flows required by the N.H. State Board of Underwriters. The cost of completely correcting conditions under the initial program cannot be justified, however a construction program should be incorporated to complete the reinforcements as funds become available.

These matters as well as the financing of the reinforcements recommended are discussed in detail in a brochure which has been furnished to the Selectmen, Fire Commission, Planning Board, etc. Copies are available and may be borrowed from the Minot-Sleeper Library by those interested in the report.

It is the opinion of the Commissioners that this matter should be brought to the attention of the public and pursued to a satisfactory solution.

The following is a report for the year ended December 31, 1966.
